Dear Parents/Carers

Our school has joined the government's National School Breakfast Programme (NSBP). The programme is funded by the Department for Education, using monies from the soft drinks levy, and is being delivered by the charities Family Action and Magic Breakfast. The programme will run until March 2020. The aim is to reach all children and ensure that every child has access to a healthy breakfast at the start of the school day.

As a NSBP school we are pleased to offer a healthy breakfast, available to all, and enjoy the benefits that brings, with children settled and ready to learn at the start of the school day.

Our breakfast club and Earlybirds readers club will remain relatively unchanged, all receiving cereals as well as porridge and now a toasted bagel in place of toasted sliced bread.

The remainder of school will have plates of toasted bagels in class as the doors open at 8.50am, which they can then eat while using their jotters before register.

We will also open this up to parents on stay and read sessions so you can join the children having breakfast while you read together.

I hope you will all agree that this is an excellent initiative offering a great start to the day.

Yours sincerely

Mr P Barnett

Headteacher

The Designated Senior Lead for Safeguarding and Child Protection is the Headteacher, Philip Barnett, supported by the Deputy Headteacher, Alison Gascoyne and Family Support Worker, Kerry Dyas.
