Dear Parents/Carers

We are currently in the process of updating our school website to make it more user friendly and show you what fantastic things happen in our school. Each class has an allocated page on the website are we are going to start updating this every week with photographs and an explanation as to what children have been doing in their classes. We are really excited to be able to share the wonderful learning that is happening in school.

Any photographs we use on our website will not have any children's names attached to them. However we are aware that some parents do not want their children on any online content. With this in mind could you please complete the attached slip and return it to school as soon as possible.
