Dear Parents/Carers

Christmas Card Competition

We have had an enquiry from a parent regarding children bringing Christmas cards into school. Unfortunately, this year due to COVID restrictions and having to quarantine things that come into school we are unable to let children bring Christmas cards from home. We have also taken the decision to ask that children do not bring gifts from home to give to their teachers.

If your child would like to create a Christmas card at home for their class we will send a sheet of card home for you to use alongside any other materials you would like to use from home.

We would like you to take a photograph of the Christmas card and send them to your child's class teacher either by email or on class Dojo so it can be shown and read out in class.

If you would like to take part in the creative activity please fill in the replay slip and return it back to school by **Friday, 27th November**.

The winners will be chosen and announced **on Monday, 14th December**.

Yours sincerely
