Minutes:

1. School council members took it in turns to introduce themselves.
2. We talked about what we would expect to happen in school council meetings.

Listen to the person that is talking
Put your hand up to talk
Always be kind
Everyone has his or her own opinion
Never interrupt

3. We talked about the job of a chairperson and vice chairperson and decided that when we have meetings we should have these roles in place. The children put their name forward and it was decided that Pippa would be chairperson and Reggie would be vice chairperson.

4. School council spoke about any ideas they have to improve our school. The following ideas were put forward.

Swing and slide – playground

Toy area

Outdoor reading area – blankets, pillows, books and make it comfortable

Lego – year 1

Quiet area – inside and outside

School council area – display board and a place to meet.
