## Food Bank Donations

Thank you to everyone who contributed to this years food bank collection, the class that collected the most was Monkeys

Thank you to all our amazing children for making our school fantastic and the best place to be on the run up to Christmas.  
The children's smiles and laughter are what make all of us enjoy our jobs.

We could not be a fantastic school with amazing children, without the dedication and hard work of all staff in school and you the supportive families and community around us.

We are a family, the Purston family. A family I am proud to say I am part of.

Please have a wonderful, healthy Christmas and New Year.

we look forward to welcoming you all back in 2022.

Take care.
