RE: FOODBANK DONATION

On behalf of FaithNet Foodbank, I would like to sincerely thank your school for the donations that you gave us at Christmas.

As a self funding foodbank, we rely on the donations that we receive and we are so grateful to you.

We have referral slips that we can supply to local schools, nurseries and other organisations that may benefit by referring to our foodbank. If you would like to receive any of these referral slips to use in your school, if you feel any of your families are struggling, please contact me on **07805 101825**.

Once again thank you.

Yours sincerely
