Can you discuss with your child what we celebrate? How do we celebrate? Do we wear fancy clothes and eat nice food?

Can your child have a go at drawing some foods people might eat at Chinese New Year? Encourage your child to say what sound the food words start with e.g. noodles start with the 'n' sound.

Collect some items from your kitchen to make a yummy meal. How many items are there? How would you make the meal? Can you draw a picture of the meal?

Can your child have a go at painting or drawing a dragon?

Can you have a go at making your own Chinese lantern? Please see below for some ideas.

If you have some playdough at home, please have a go at following the actions on the link below. This helps your child with their fine motor skills.
