

## Purston Infant School – Year 1 – Kangaroos and Giraffes – Remote Learning

Spring 2 2021 – Week Beginning 14 <sup>th</sup> March – Paws, Claws and Whiskers			
	Learning Objective	Learning Outcome	Activity/Resources/Links
<b>English – Reading</b>	<p>I can apply phonic knowledge to decode words.</p> <p>I can respond speedily with the correct sound to graphemes (letters or groups of letters) for all 40+ phonemes</p> <p>I can read accurately by blending sounds in unfamiliar words containing GPCs that have been taught.</p>	Children can use their phonics to read their books.	<p>Log into the Oxford Owls page. Username – Purston y1 Password - Year1</p> <p>Scroll down to the Floppy's Phonics tab.</p> 
<b>English</b>	I can label an animal using my phonics.	Children will design an animal to live on Mars and add labels.	<p>We would like you to find out the planet Mars. What is it like there? Is it hot or cold?</p> <p>We would then like you to design and label an animal that would live on Mars. How does it move? How many legs has it got? Is it furry? Scaly? Does it have feathers?</p>
<b>Maths</b>	I can use non-standard units of measure to measure objects.	Children will be confident in using non-standard unit of measures.	<p>We would like you to find 3 things to measure from around your house. This might be a spoon, book and bear.</p> <p>We would then like you to measure them using other things like Lego, cars, pencils.</p> <p>How many Lego blocks long is the book?</p> 
<b>Science</b>	I can identify and name a variety of common animals including fish, amphibians and mammals.	Children will be able to identify and name a variety of common animals including fish, amphibians and mammals.	<p>We would like you to find out about reptiles and amphibians. What characteristics do they have?</p>

			<p>Which of these are reptiles and which are amphibians? We would like you to find some more reptiles and amphibians, and draw and label them.</p> <div>    </div>
<b>PE</b>	I can throw and catch a ball.	Children will begin to use their ball skills to throw and catch accurately.	<p>Can you practise throwing and catching a ball accurately? Start with little throws and then play with another person in your house.</p>
<b>RE</b>	I can find out about Christian celebrations.	Children will find why Christians get married.	<p>Why do people get married? Do you know anyone who is married? Have you ever been to a wedding? What happens?</p> <p>Find out about weddings and draw a picture showing what you find out.</p>
<b>PSHe</b>	I can find out where money comes from.	Children will be able to explain where money comes from.	<p>Talk to your grown ups about where their money comes from. How do they earn money? Have a look at some coins. Draw and label any coins you have.</p>
<b>Science Week</b>	<p>This week is science week. Science is happening all around us every day.</p> <p><a href="https://kidadl.com/articles/cool-ks1-science-investigations-to-do-at-home">https://kidadl.com/articles/cool-ks1-science-investigations-to-do-at-home</a></p> <p>Why not have a go at some of these science experiments at home! Don't forget to send us any pictures 😊</p>
