- Jimmy would like a bat box - bats are getting eaten
- Playground - School council to pick a buddy everyday - vest

School council talked about playing and behaviour at playtime and how we can make it better.

They suggested playground buddies to watch other children and see how they play.

Mr Barnett agreed to order buddy vests for each class.

Jimmy - bat box

- Jack + Ara told Mr Barnett why and asked if this is something we could have. Mrs Gascoyne said we could ask the local garden centre as they have offered community support to us.
