Future dates for your diary

**School Opens Tuesday 2nd September**

**School Photographs 25th September**

The last day of school before the summer break is both a time for celebration and a time of some sadness. Celebration because of all the fantastic moments and memories we have made over the last twelve months. Sadness as we leave behind what we have got use to and keep moving forward.

The photographs on this page, shows what matters, the memories we have made. They make us smile because they show the fabulous smiley, happy children we are lucky to have in our lives.

An enormous good luck to all our children in Year 2 as they move onto the next stage of the lives at Junior school. We will miss every single one of you. Sadly, this year Mrs Inhester and Miss Nicklin are both leaving our school and starting on the next exciting chapters of their lives. We all wish them love and good luck in the future.

Finally, a massive 'Thank you' to each and every one of our families, staff and community that everyday make our children's lives better.

Have a lovely summer

Mr Barnett
